Our Summer Schools in the USA are **exciting and interesting** places to learn English. We offer **high-quality, friendly and professionally-managed residential courses** for young learners in Florida and New York and **homestay courses** in Florida.

The Programme

Our Summer School English and English in Practice courses have been created to meet the needs of young learners. Our own text book and projects linked to the leisure programme aim to help them with their English abilities in an informal environment.

Students can expect grammar tuition, structured conversation work, role-plays, discussions, listening and reading practice, and some written work. The course consists of 20 lessons per week as well as a comprehensive activities programme.

LAL USA SUMMER SCHOOLS

Our Summer Schools take place at prestigious university campuses and our own school. Students stay in secure, staff-supervised residences or host homes and receive 20 lessons (15 hours) per week from professional, qualified teachers with a great activity package.
