Confident communicators

Since 1965 we have helped students master English and become confident communicators. Our courses are structured to be memorable, motivating and highly effective. We are passionate about our students' learning experience and ensure that students work hard to develop their skills, knowledge and confidence on the course.

From the moment our Young Learners arrive, Regent staff are on-hand to guarantee that they are active, learning effectively and taking a big step towards a successful future. On each course we work hard to ensure that students are engaged and communicating confidently in an English speaking environment.

Structured learning

Students are taught in small (maximum 12) multinational groups. On arrival students are tested and placed with students of a similar ability. The school day is structured to include activities that develop grammar, vocabulary and phonology, and provide practice in listening and speaking. Reading and writing tasks are often set for homework. Students gain enhanced communication skills, activating existing knowledge and building confidence. Throughout the course, students create a Personal Portfolio and Diary to record and reflect on their learning and achievements.

Choose from one of the three programmes:

- English Club - 15 hours of lessons per week
- Intensive Club - 22.5 hours of lessons per week
- Exam Preparation - 22.5 hours of lessons per week.

Lessons finish, the learning continues

Juniors learn a lot with us. Learning doesn't just happen in our lessons. Throughout the course we encourage students to develop and practise their English skills – in the school common rooms, in the dining room, in the residential houses, on the activities and excursions. This helps students to activate their knowledge of English and builds their confidence in using the language.

At the beginning of their stay all students are put into multi-national teams. This integrates all the nationalities encouraging friendships and the speaking of English. Students do sports and social activities with their teams.

A full day of entertainment

Every course includes an exciting leisure programme full of daily activities, sports and games. Activities and events are divided into afternoon and evening programmes so that each day is well structured and offers students a stimulating and enjoyable environment.

The English Club Programme includes one full-day and one half-day excursion or visit to places of interest each week. The Intensive Club and Exam Preparation Programme include one full-day excursion every week.

Every morning before lessons, there is an assembly to inform the students about what activities are happening during the day and to give information about weekend excursions and competitions.

The School reserves the right to cancel a course, or make changes to course arrangements, without liability, if forced to do so for reasons beyond its control. If this happened, the School would seek to offer alternative arrangements, dates or venues.

If the School cancelled a course booked and paid for by a student in accordance with these terms other than for reasons beyond its control, and did not offer an alternative acceptable to the student, the School would pay compensation as follows:

- Where the cancellation is before the start of the course, compensation equal to the deposit paid by the student or
- Where the cancellation is after the start of the course, compensation equal to one week's fees.

Liability and Insurance

Students should make sure that they organise their own travel insurance to cover medical costs and repatriation costs in the case of an illness or accident.

The School acts only as an intermediary between its students and travel organisations. Unless and to the extent caused by the School's negligence, the School cannot be held responsible for any delay or accident during a journey nor for any incident which may happen during the student's stay. The School will, however, endeavour to defend the student's interests in the event of breach of contract on the part of the travel organisation.

The School reserves the right not to allow on the course a student suffering from any illness, medical condition, or mental or physical disability which has not been disclosed on the Registration Form.

This brochure, issued by the School, gives the only terms and information that can be referred to in the event of a disagreement between the student and the School. These terms and conditions are governed by English law and do not affect your statutory rights under English law.

If a student wishes that his or her photo should not appear in this material, they should write to the School within one week of the photo-shoot. These photos have no commercial or contractual value.

Further conditions specific to Young Learners (8–17 years)

The School reserves the right to issue disruptive students with a warning letter and, if there is no improvement in behaviour, to send them home at their parents' expense.

The School further reserves the right to send home without a warning letter any student committing a serious offence, especially one involving the police, and to include the following: theft, smoking in any School building, the possession of, purchase of or consumption of alcohol or illegal drugs.

On all outings, students are escorted by our Activity Leaders. We do not allow any of our Young Learners, whether staying in residence or in homestay, to go out in the afternoons or evenings, except when they join the group for organised, supervised activities, or in the event that parental consent is received.

Children on residential courses have evening activities and are not allowed to stay out unsupervised. Please note that the School cannot be held responsible for any incident whilst the student is out unsupervised.

Students aged 18 and over must register for an adult school. The School reserves the right to transfer an 18 year old from a Young Learners' Course.
